**BORANG PENILAIAN PENYELIA/PENYELIA BERSAMA OLEH PELAJAR
 (EVALUATION FORM ON SUPERVISOR/CO-SUPERVISOR BY STUDENT)**

As a part of semester-based monitoring of progress procedures, the School of Materials and Mineral Resources Engineering encourages all Master's and Doctoral students to complete the evaluation of their supervisory team. The outcomes of the evaluation will be completely confidentially without notification to the supervisory team.

Details:

Name:					
Programme level	Capstone project (APEL)				
Please tick (✓):	Master's degree (Research mode)				
	Master's degree (Mixed mode)				
	Master's degree (Coursework mode)				
	Doctoral degree				
Name of supervisor:					
Role of supervisor	Main supervisor				
Please tick (✓):	Co-supervisor				

Please Indicate to what extent you agree with the following statements (1= completely disagree; 5 = completely agree).
 If a question does not apply, please select Not Applicable (NA).

No.	Statement	Scale					NA
		1	2	3	4	5	
1	The supervisor treats student with respect.						
2	The supervisor provides assistance with the planning of suitable and manageable research project.						
3	The supervisor has sufficient familiarity with the field or research to provide guidance and/or willingness to gain that familiarity.						
4	The supervisor is accessible for discussion of my work and progress.						
5	The supervisor makes arrangements to set meeting and/or discussion to evaluate the student's progress.						
6	The supervisor responds in a timely and constructive manner to written work submitted by the student.						
7	The supervisor makes reasonable arrangements to ensure that resources needed for the research project are available to the student.						
8	The supervisor assists the student to be aware of current program requirements, deadlines and sources of funding.						
9	The supervisor encourages the student to make presentations of research results within the University and/or to outside scholarly or professional bodies as appropriate.						
10	The supervisor acknowledges appropriately the contributions of the student in presentations and in published material, and in many cases via joint authorship.
